

GAGE COUNTY HISTORICAL SOCIETY'S NAME BRICK FUNDRAISER

Thank you for your Support!

Money raised will be used for Capital Improvement Projects. Engraved bricks will be placed in the "Statue of Liberty Walkway" located directly in front of the Gage County Museum.

One of the first factories in Beatrice was the Beatrice Building and Paving Brick Works founded in 1889. Commemorate your business by having its name and founding date placed on a brick. Surprise a friend by giving them a brick for Christmas. Just like you, hundreds of thousands of people called Gage County home. Remember your family with a memorial brick. Best of all put your family name on a brick and the date you arrived in Gage County. Your imagination is all it takes!

Your name brick will be placed randomly in the walkway that goes out to the miniature 1951 Statue of Liberty and the 2007 time capsule. Setting of the bricks will be in the Fall of 2018.
